OUR BEEF

All our burgers are made with prime cuts of British steak mince.

All our other beef is hand reared by Mr Chris Lerwill of Waytown Farm Combe Martin

WE'RE AWESOME WE RECYCLE

At the Good Food and Drink Company, we take recycling and the impact on our environment very seriously.

We practice a Reduce – Reuse – Recycle policy across all our businesses and work very closely with local partners and suppliers to reduce the amount of waste going into landfill, resulting in production of harmful greenhouse gasses.

We recycle all paper, plastic, tin, glass, printer cartridges and most importantly all our food waste is placed in an anaerobic digester and the energy produced goes back into the local grid.

Working together with 'Surfers against Sewage' and 'Plastic Free North Devon' to reduce the need for single use plastics in our businesses as well as encouraging our suppliers to do the same, to protect our oceans and environment for future generations.

Allergies?

All relevant information is available for you to check or for particular nutritional requirements please ask for advice from the restaurant staff. Please make staff aware of your allergies when ordering.

Baby foods

We are happy to heat up baby foods for you but parents must assume full responsibility to check that food temperature is safe for your child to eat.

Baby changing

Facilities are located at the toilets. Disabled facilities are located at the rear of the restaurant.
